Episode I

01 49:50 98.00% I was sipping on this
fucking Mexican beer that, it seemed
to me, in all likelihood, was
constructed by the white man, perusing
West Fountain Street, feeling like I
didn't in any way despise brick roads

02 63:59 106.78% I recalled a cloud
looking excessively painted in the still
bright nighttime sky at eight forty four
P.M. the evening previous with the
bottle of Reposado Mezcal that I,

arguably, magnanimously spilled onto
the cement

Episode II

01 111:127 87.40% A pair of
substantial butt cheeks pull apart and
it's somewhat possible the planet's
field of gravity warps as well, but I
was actively rooting for the Islamic
Republic of Iran in an albeit fairly
competitive World Cup field, soaking
up the body builder sun on a flimsy
wood bench with the curated pebbles
on the ground, at times even twirling
my mustache with aplomb, drinking
with infants flanked on all sides the
breeze blew through coarse calf
follicles with the grace of the Garden
of Eden

02 72:80 90.00% Only moments later I was studying a few W.N.B.A. player efficiency ratings with money on my mind, considering the level of minimalism appropriate for my dojo, randomly recalling my disgust for chancletas as I solemnly noted a pair of velcro sandals across the street.
